First I would like to thank God for allowing my brother Daniel Thornton to marry such an INSPIRING and BEAUTIFUL Woman of God Author Angela Thornton . Knowing the author behind the book (Unlocked Keys For Godly Living) has brought more joy in reading it and wanting to share it as well as bless others with it. This Reference, has helped me reconstruct my way of thinking and living..I've been a believer for as long as I could remember, but sometimes in life we need a reminder, after reading the first two reference titles in the book Affliction being the first, then Believe being the second, Im reminded that Gods word has revived me, and that anything Ive prayed and asked for I should believe and receive it. Wow! If after reading the first two reference doesnt encourage you, Im not sure what will. I promise after reading this book, it would make you take a self examination of your current situation and see which reference fits for you..Thanks again Mrs. Thornton for sharing Gods wisdom with myself and others. Also thanks to Amazon for accepting my sisters book....Unlocked: Keys for Godly LivingUnlocked Keys for Godly Living
